### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

*In The Claims:*

- Claim 56, line 10, "hevaporator" has been changed to --eveporator--.

### *Allowable Subject Matter*

2. Claims 1-67 are allowed.
3. The following is an examiner's statement of reasons for allowance:

None of the prior art of record teaches or suggests an air quality management apparatus for use in a modular electrostatographic printer comprising an open-loop portion for managing of an air quality of air flowing through and included in a first interior volume, and a recirculation portion for managing of an air quality of air included in and circulating within a second interior volume, said recirculation portion having at least one air recirculation device for moving the air in the second interior volume at a specified total rate of recirculation through an air-conditioning device, such that air-conditioned air leaving the exit of the air-conditioning device is urged by the air recirculation device through a plurality of recirculation pathways included in the second interior volume.

Art Unit: 2852

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
